Why GoodBox?

SECURE & CERTIFIED

As an FCA regulated payment company and a ICO registered data controller, you can rest assured that your donations will reach your account safely and securely. We are PCI and GDPR compliant, meaning we have you covered when it comes to data security and regulation.

LIFETIME CONNECTIVITY

GoodBox devices carry their own SIM cards, enabling mobile connectivity and giving you the best chance of strong connectivity. Plus, our units work independently of other slave devices – no frustrating apps or smart phones required.

OFFLINE PAYMENTS

All GoodBox devices accept donations with zero connectivity, meaning no more failed donations or awkward waits trying to process in crowded or low signal areas. GoodBox offline capability offers unrestricted fundraising – anywhere, anytime.

FOR FUNDRAISERS

Every product we bring to market is created with charities in mind, but our technology is only the first step. Through working in close partnership with our charity clients, we ensure that fundraisers get the value they deserve from our products.
